Re: Dismissing Application

Dear Appleland Logistics LLC:

On December 22, 2021, Appleland Logistics LLC filed with the Washington Utilities and Transportation Commission (Commission) an application requesting authority to operate as a Motor Freight Carrier carrier in the state of Washington.

On December, 22, 2021, and January 24, 2022, the Commission sent Appleland Logistics LLC notices describing the application requirements the company had not satisfied. Despite this notice, Appleland Logistics LLC has not met the following requirements as of the date of this letter: Appleland Logistics LLC has not provided a Uniform Motor Carrier Certificate of Insurance (Form E) from the insurance company, nor have they paid the application fee of \$275.

Accordingly, the application filed by Appleland Logistics LLC for Motor Freight Carrier authority is dismissed for failure to meet the application requirements.
